Suicide Call Back Service provides free immediate professional telephone and online counselling support for anyone affected by suicide.

Suicide Call Back Service provides nationwide 24/7 telephone and online counselling to people 15 years and older who are affected by suicide.

Our counsellors have specialist skills to be able to do a risk assessment and provide support to anyone who is feeling suicidal, worried about someone else, or bereaved by suicide.

This free service also provides up to four telephone counselling sessions scheduled at a time to suit the caller's needs.

If you need to speak to a counsellor,
